18pt — The quick brown fox jumps over the lazy dog. 0123456789

24pt — The quick brown fox jumps over the lazy dog

**Body Text Readability**

This paragraph tests your printer's ability to render body text clearly. Look for consistent ink density, sharp character edges, and uniform spacing between letters and words. Good print quality means each letter is distinct with no smearing, banding, or faded areas.
