

Cyan Channel — Individual Colors Test

Solid block (100%)

Tonal Step Wedge (10% – 100%)

Smooth Gradient (0% – 100%)

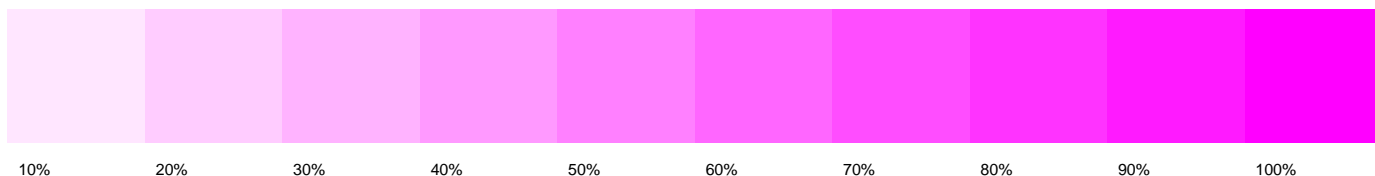

Each cartridge prints in isolation — gaps or streaks indicate a clog or low ink in this channel.

Magenta Channel — Individual Colors Test

Solid block (100%)

Tonal Step Wedge (10% – 100%)

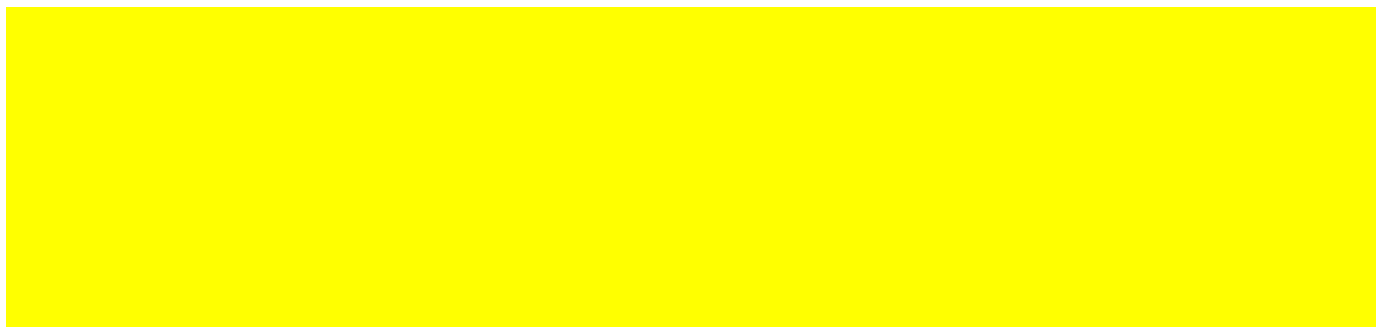

Smooth Gradient (0% – 100%)

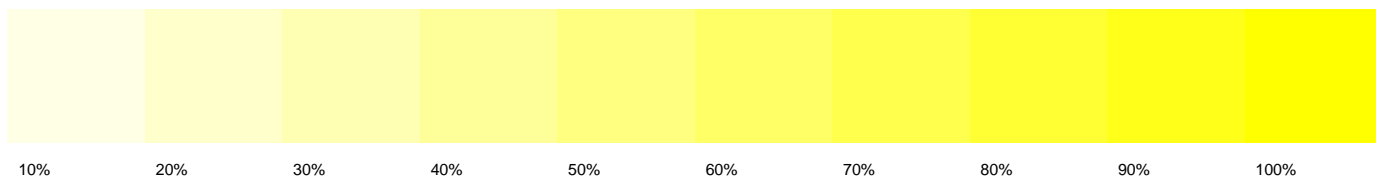

Each cartridge prints in isolation — gaps or streaks indicate a clog or low ink in this channel.

Yellow Channel — Individual Colors Test

Solid block (100%)

Tonal Step Wedge (10% – 100%)

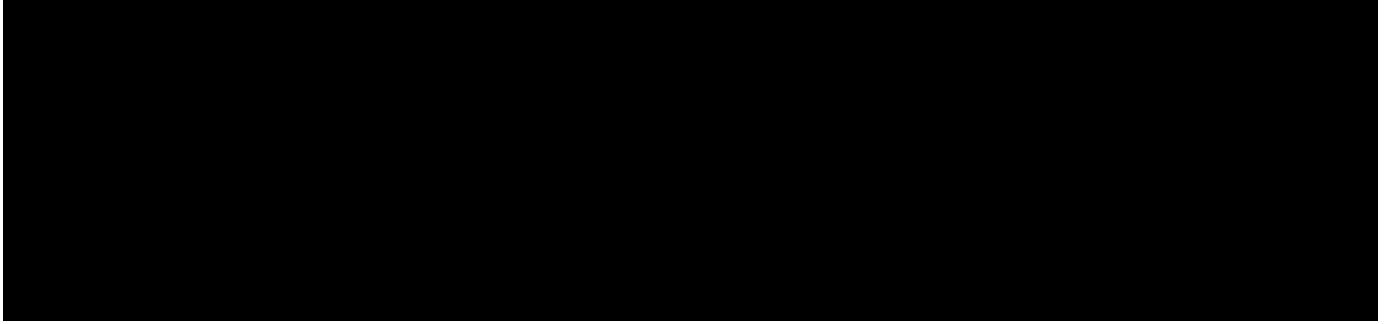

Smooth Gradient (0% – 100%)

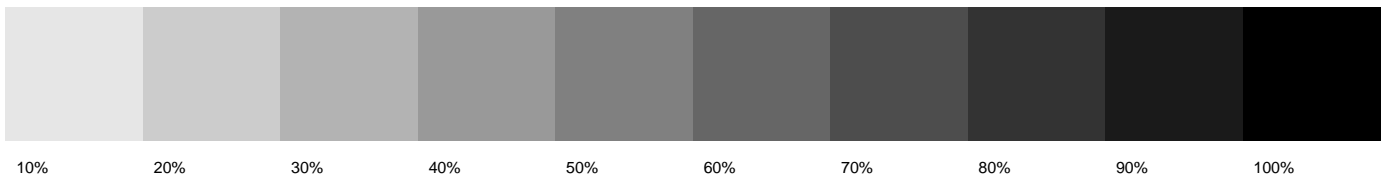

Each cartridge prints in isolation — gaps or streaks indicate a clog or low ink in this channel.

Black Channel — Individual Colors Test

Solid block (100%)

Tonal Step Wedge (10% – 100%)

Smooth Gradient (0% – 100%)

Each cartridge prints in isolation — gaps or streaks indicate a clog or low ink in this channel.
